BEST MOBILE APPS FOR HOMEBUYERS

AT EVERY STAGE OF THE HOME BUYING PROCESS

FROM CULTURAL OUTREACH

DREAM-BUILDING

Thinking about what you want in a home

Trulia

Discover a place you'll love to live. The best app for collaborating with others and discovering the most detailed info on neighborhoods straight from locals.

Zillow

For a simple, easy-to-use search engine with top-notch contextual data on local market trends.

Homesnap

Chat/share favorite homes with your Realtor, get home details, and schedule open houses on-the-go.

FINANCIAL PREPARATION

Finding out how much home you can afford

There are several apps that are great for tracking your budget and credit score. Try them out to find out which one best suits your preferences!

Credit Karma

Learn your credit score, get a free credit report, and receive personalized tips to improve your credit.

Mint

To help you manage your budget, gain a clear idea of your financial obligations, and plan for the future.

Nerd Wallet

Personalized budgeting app with detailed credit score analysis, spending tracker, and tailored tools and tips.

Karl's Mortgage Calculator

Straight forward mortgage calculator that allows you to view interest and payment options clearly. For those who want just the facts!

2018 BEST MOBILE APPS FOR HOMEBUYERS

AT EVERY STAGE OF THE HOME BUYING PROCESS

FROM CULTURAL OUTREACH

HOME SHOPPING

Finding and comparing homes

Redfin

The best home shopping app on the market. Redfin excels with buyers/sellers in a competitive market where timing and accuracy are crucial.

Realtor.com

Accurate and robust home search app that includes some cool features like similar home suggestions based on search history.

My Nest

Extensively document your favorite homes using photos, videos, and notes; and share them with others.

Tiny Scanner

Easily scan important documents into PDFs and share them using just your phone.

MOVING

Planning, organizing, and streamlining your move

Sortly

Manage, search for, and categorize your moving boxes by creating a visual inventory of your stuff with photos, tags, and notes.

OfferUp

A more secure and easier-to-use version of Craigslist, this app lets you quickly buy/sell household items in your area.

Task Rabbit

Connects you to safe and reliable help to easily tackle moving, cleaning, repairs, and other tasks.

Trello

An in-depth organization tool that allows you to collaborate on multiple projects and stay organized.

DESIGNING

Home projects, decorating and renovations

Houzz & Pinterest

To discover, collect and share unique "DIY" projects and home design ideas.

MagicPlan

Create floor plans, view a space in 3D, generate job estimates and more to visualize your new home.

Wayfair

Large selection of home goods, often at discounted prices, with a visualization tool that allows you to see pieces in your home before you buy.

Amazon Prime

Order new decor or household items, and have them arrive on your doorstep in 2 days or less.
